

# You Are Invited to...Camp Kindergarten!

*“This is my fourth year doing Camp Kindergarten and I’m still excited! It’s like a revival for great teachers to connect and remember why they became educators! If you want to be inspired and learn tons of great ideas to make teaching and learning more fun, then we hope you’ll join us at one of these locations!”*

*Dr. Jean*

Where? Atlanta, Georgia  
& Gwinnett Center (770-813-7500)  
When? June 16 & 17, 2010

Chicago, Illinois  
Elk Grove Village Holiday Inn (847-437-6010)  
June 23 & 24, 2010

Marlborough, MA (Near Boston)  
Royal Plaza Trade Center (508-460-0700)  
July 27 & 28, 2010

Who? Pre-K, Kindergarten, and First Grade Teachers

What? Workshop descriptions and the agenda for each day are on the following pages.

How? Registration Fee: \$299 for both Days

Fill out the attached application form and send it along with your method of payment to the address at the top of the form.

Each day you will receive a CD and a 120 page notebook with ideas, patterns, and projects. You will also receive a “goodie bag” so you can carry home all your projects. (You will receive a certificate for 10 hours of training, but we will not be offering any CEU’s.)

Morning refreshments will be served; lunch will be on your own. Please bring your own scissors, glue, and markers, as well as 20 sheets of colored construction paper, 4 poster boards, and 10 colored file folders if you wish to stay for the make and take.

# Totally Reading

If we want children to enjoy reading and writing, then we have to provide activities that will capture their interest and motivate them. In this workshop, you'll learn how to replace worksheets with games, books, and activities that will engage students and help them succeed at their own level.

You will learn:

- Meaningful applications from reading research
- How to “sing standards”
- Rhyming and chanting your way to phonological awareness
- “Fun” phonics
- Word wall activities
- Creative ways to enhance fluency
- Vocabulary builders
- Comprehension strategies
- Blank books to reinforce reading and writing skills
- How to create a literate environment
- How to plant a “love of reading” in children’s hearts!

You will receive the “Totally Reading” CD with songs that support skills, plus a 120 page handbook of simple and practical activities and patterns.

**Camp Kindergarten Agenda**  
**“Totally Reading”**  
**Day One**

- 7:30-8:30      Registration
- 8:30-9:00      Brain Energizers – Sing Along

You will need: scissors, glue, markers, 20 sheets of colored construction paper, 4 sheets colored poster board, 10 colored file folders

# **Totally Math**

and

## **Classroom Management Tips & Tricks**

“Math fever” will spread through your room in the coming year with the catchy tunes, games, and movement ideas you will learn! You’ll also discover creative strategies for reinforcing skills and providing for the broad range of learners in your classroom. Plus, we’ll end the day with terrific ideas for classroom management. Highlights will include:

- Applications from brain research
- Connecting with standards
- Using music for prior learning and to provide repetition
- Songs for number concepts, writing, money, fractions, and addition
- Movement activities for patterns, shapes, and counting
- Dozens of games to build math and reading skills
- How to manage learning centers
- Open-ended activities to challenge all students
- Mind mapping and questioning strategies
- Practical solutions for classroom management
- Ideas for assessment
- How to improve home/school connections

You will receive the “Totally Math” CD with songs for counting, number words, numerals, shapes, money, time, measurement, addition, and subtraction. You will also receive a 120 page handbook of patterns and ideas for large group, small group, and independent learning opportunities.

**Camp Kindergarten Agenda**  
**“Totally Math and Classroom Management”**
