We Love Our Flag \* Use this song to prepare children to say the Pledge.  
(Tune: "The Farmer in the Dell")

We love our flag.  
We love our flag.  
We love America  
And we love our flag.  
Red, white, and blue,  
Red, white, and blue,  
The colors of our country's flag  
Are red, white, and blue.  
50 stars of white  
On a field of blue  
Stand for 50 states  
Where we live, it's true.  
Thirteen stripes  
In red and white  
Stand for the colonies  
For freedom they did fight.  
We love our flag...

Money, money, money, I always want more! (Palms up and shake.)

A penny's worth one cent.	(Hold up 1 finger.)

A quarter's twenty-five.	(Open and shut hands for 25.)
Chorus	

Lincoln's on one cent.  
Jefferson's on five.  
Roosevelt's on ten cents.  
Washington's on twenty-five.  
Chorus

A building's on one cent.  
A building's on five.  
A torch is on ten cents.  
An eagle's on twenty-five.  
Chorus

### Found a Penny

(Tune: "Found a Peanut" - Totally Math CD)

Found a penny, found a penny, found a penny just now.  
It is round and brown and shiny (Hold up real coins or cut outs  
Found a penny just now. as you sing.)  
I see Lincoln, I see Lincoln, our sixteenth president,  
On the back is his Memorial  
Penny, penny's worth one cent.

Found a nickel, found a nickel, found a nickel just now.  
It is round and fat and silver  
Found a nickel just now.  
I see Jefferson, I see Jefferson, our third president  
On the back his Monticello  
Nickel, nickel's worth five cents.

Found a dime, found a dime, found a dime just now.  
It is thin and small and silver,  
Found a dime just now.  
I see Roosevelt, I see Roosevelt, our thirty-second president  
On the back is a torch.  
One dime is worth ten cents.

Found a quarter, found a quarter, found a quarter just now.  
It's the largest of all the coins,  
Found a quarter just now.  
I see Washington, I see Washington, our first president  
On the back the bald eagle;  
Quarter's worth twenty-five cents.

Found a dollar, found a dollar, found a dollar just now.  
It has a picture of George Washington  
And it's worth one hundred cents.

Five pennies equal a nickel; ten pennies equal a dime.  
Twenty-five pennies in a quarter,  
Two nickels equal a dime.  
Five nickels in a quarter, or a nickel and two dimes;  
Four quarters in a dollar  
And a dollar equals ten dimes.

## *Seasonal Songs*

Groundhog Day – February 2nd  
(Tune: “Turkey in the Straw” – Happy Everything CD)

February 2<sup>nd</sup>,  
Is Groundhog Day.  
Gather round his hole  
To hear what he'll say.  
Will spring be early  
Or late this year?  
Watch and listen  
To what you'll hear.  
If he sticks his head out  
On a sunny day.  
His shadow will frighten him  
And he will say,  
“I'll go back in my hole  
And go back to sleep.  
You'll have winter  
For six more weeks.”  
If he sticks his head out  
On a cloudy day.  
He's not frightened  
So he will say,  
“I think I'll stay out  
And the weather should clear.  
Spring will be here  
Early this year.”

Abraham Lincoln

(Tune: "Pop Goes the Weasel" – Happy Everything CD)

Abraham Lincoln, past President, (Give each child a penny to hold as you sing.)  
Loved and honored by many.  
To help us remember this famous man,  
We put his face on a penny.  
Hold a penny in your hand  
And his face you'll see.  
He always tried to tell the truth.  
He's Honest Abe to me.
