Works all day and he comes home tired

He's my dad and I love him so.

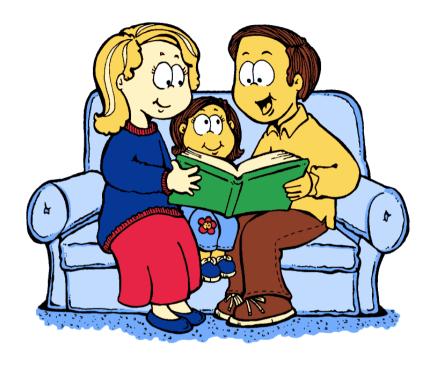

Still plays with me in the yard. He's my dad and I love him so.

Dad-0, Dad-0.

He's my dad and I love him so.

He reads to me and we laugh and play
He's my dad and I love him so.

Helps me do my best each day He's my dad and I love him so.

Dad-0, Dad-0.

He's my dad and I love him so.
