

Music is the magic door into the heart, soul, and mind of a child.

Behind every great student. . .

. . . is a great teacher.

Death is silent. Learning is noisy.

Yesterday was the past. Tomorrow is the future. But today is a gift.

That's why it's called the PRESENT!

People don't care how much you know until they know how much you care.

"Strengthen the parent and you strengthen the child."
~Fred Rogers

Don't ever save anything for a special occasion.

Every day you're alive is a special occasion.

Often happiness calls, but we are too busy to answer.
